Dear Mr. DeLacy:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your EVENT YEAR-TO-DATE calculations for Administrative/Voter Drive are incorrect. EVENT YEAR-TO-DATE totals for administrative and voter drive costs are derived by aggregating all disbursements during the calendar year for the whole Administrative/Voter Drive category. EVENT YEAR-TO-DATE totals for fundraising, direct candidate support, and exempt activities are derived by aggregating all disbursements during the calendar year within a specific event. These should be calculated by adding the latest disbursement for a category or event to the previous EVENT YEAR-TO-DATE total for that category or event. This running EVENT YEAR-TO-DATE total should be disclosed after each disbursement is listed. Please amend your report by providing the correct Administrative/Voter Drive EVENT YEAR-TO-DATE totals.

-Schedule H4 discloses disbursements with Purpose/Event of Fundraising, Fundraising Direct Mail and Telemarketing Fundraising, however these disbursements are categorized as Administrative/Voter Drive. Please provide an amendment to clarify whether these disbursements were for Administrative/Voter Drive or Fundraising. If the disbursements reflect fundraising expenditures, a Schedule H2 must be filed to disclose the allocation ratios.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on
